

Parent Quick Reference Guide – Jeffco Connect

Easy Steps for Reviewing/Editing Your Student's Information

Do you already have a Parent Portal account?

Yes: Log into Jeffco Connect using your account User Name and Password

No: Please see the secretary to set up a User Name and Password

Once you have your User Name and Password:

1. Log into Jeffco Connect
2. Click on your student's name (If you have more than one student, each one will need to be verified individually).
3. Review each page for accuracy by clicking on each item on the left side of the screen (Student, Residency, Contacts, Enrollment, Health, Language).
4. Make any necessary changes on the appropriate page being sure to click the **SAVE** button on each page.
